DANCE 'n Beats

Jump, Sing and Dance Along!

Explore new rhythms, theme-related lyrics, and instruments unique to the featured musical genre of the month. While dancing along to the music, children build coordination and balance as they learn to creatively express ideas through movement.

Track 1
Boogie Woogie

Do the boogie, boogie woogie
On the boogie, boogie woogie bridge
Move your feet left and right
From mornin' 'til night
On the boogie, boogie woogie
Boogie woogie bridge

Come on play it!
Boogie, Boogie Woogie
Boogie, Boogie Woogie

Do the boogie, boogie woogie
On the boogie, boogie woogie bridge
It will swing to the sound
Of dancin' around
On the boogie, boogie woogie
Boogie woogie bridge

Come on let's see you dance!
Boogie, boogie woogie
Boogie, boogie woogie

Track 2
The Wheels on the Bus

The wheels on the bus go round and round
Round and round, round and round
The wheels on the bus go round and round
All through the town

The wipers on the bus go side to side
Side to side, side to side
The wipers on the bus go side to side
All through the town

The blinkers on the bus go on and off
On and off, on and off
The blinkers on the bus go on and off
All through the town

The children on the bus go up and down
Up and down, up and down
The children on the bus go up and down
All through the town

On the bus, on the bus, on the bus, yeah
On the bus, on the bus

The doors on the bus go open and shut
Open and shut, open and shut
The doors on the bus go open and shut
All through the town

Track 3
Be Safe

Wear your helmet when you ride your bike
It doesn't matter if you have two wheels
or a three-wheeled trike
Wear your helmet when you ride your bike

Be safe, it's the only way to go
Be safe from head to toe
Be safe, it's the only way to go
Be safe from head to toe
Safe is the only way to go

Put on a seat belt when you ride in a car
It doesn't matter if you're stayin' close
or going really far
Put on a seat belt when you ride in a car

Track 4
Transportation

Transportation
It's the way you get around every day
Transportation
It's the way you get around every day

Jump in the car, roll down the street
Jump in the car, roll down the street

Pedal your bike, pedal
Pedal your bike, pedal

Fly in a plane, fly
Fly in a plane, fly

Track 5
Clunker Car

My car is old, it's ugly I'm told
A root a toot toot, a biddely boot
My car is slow, it can hardly go
A root a toot toot, a biddely boot
The tire is flat, but really,
What is wrong with that?

It doesn't matter what others say
I know the truth anyway
Old or new, I'm thankful for you
Just as you are, you're my clunker car

Track 6
Rumble Bumble

Rumble bumble, rumble bumble
Eee ba deep beep beep,
eee ba deep beep beep
Scatalat titter tat, scatalat titter tat
Rumble bumble

Below your tap tap tappin' toes
The subway subway subway goes
Under the ground, rumble bumble
With a rumblin' sound

A shake-a shake-a shake, feel the vibration
It's comin' into the station
The subway subway, fifty miles an hour
Movin' with electric pow'r

Track 7
Row Your Boat

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream

Track 8
Horse Race (Instrumental)

Track 9
Stop and Go

Vroom vroom drive down the street with me
Vroom vroom let's go to the city
Turn right and...
Vroom vroom drive down the street with me
Vroom vroom let's go to the city
Turn left and...
Vroom vroom drive down the street with me
Vroom vroom let's go to the city

STOP! Red light!
Ten, nine, eight, seven, six, five, four, three, two, one, green. GO!

Track 10
Map, Show Me the Way

Baby, I'm lost without you
I don't know where to go without you
Yes, I'm lost without you

Map, show me the way
I'm looking for a place to play
I'm all turned around
Feeling dizzy like a merry-go-round

I'm picking up my feet
To follow you down the street
I'll always keep you by my side
Even when I play on the slide

Track 11
Airplane (Instrumental)

Track 12
Thankful

I'm thankful for my family
How they love me every day
I'm thankful for my school
Where I learn and play

I'm thankful for these things
And this is why I sing
