Track 1 I'm Special

Look at me, can you see?
I was made perfectly
Exactly me

Look at you and all you do
You are different than me
That's diversity, yeah

You and me, special, different.
You and me, one of a kind
You and me, special, different
You and me, one of a kind

Look at me, can you see?
I was made perfectly
Exactly me

Look at you and all you do
You are different than me
That's diversity, yeah

Track 2 Frog Throne

What's that sound I hear?
I think it's comin' from over there
Croak, croak, bullfrog croak
I hear a croak, croak, b-b-b-bullfrog croak

Sittin' like a king
Usin' his throat to sing
The lily pad is his throne
Croakin' in a low low tone, whoa

What's that sound I hear?
I think it's comin' from over there
Croak, croak, bullfrog croak.
I hear a croak, croak, b-b-b-bullfrog croak

Larger than my hand
Louder than a marchin' band
A mix of brown and green
He's the biggest frog I've ever seen
What's that sound I hear?
I think it's comin' from over there
Croak, croak, bullfrog croak.
I hear a croak, croak, b-b-b-bullfrog croak

Track 3 Draw a Shape

Draw a circle, draw a circle
In the dirt, in the dirt
Draw it with your finger
Draw it with your finger
Draw a circle, draw a circle

Draw a triangle, draw a triangle
In the dirt, in the dirt
Draw it with your nose
Draw it with your nose
Draw a triangle, draw a triangle

Draw a square, draw a square
In the dirt, in the dirt
Draw it with your toe
Draw it with your toe
Draw a square, draw a square

Track 4 Flower Grow

Little flower's growing very slowly
She needs water and sun to grow
Growing slowly, growing slowly
Growing takes time, I know

Little flower pops up her stem
Reaching her leaves
Through the ground
Without a sound
Opening petals
Opening petals

Little flower growing very slowly
She needs water, air and sun to grow
Growing slowly, growing slowly
Growing takes time, I know

Little flower gives us her beauty
First sign of spring we see
In the wind
Her bright yellow
Waving hello

Little flower's growing very slowly
She needs water and sun to grow
Growing slowly, growing slowly
Growing takes time, I know

Growing slowly, growing slowly
Growing takes time, I know

Track 5 Paint on Your Shirt

Don't stop your creativity
Don't stop your creativity
It can get messy but that's okay with me
If you don't worry, it will set you free

Hang it out to dry, baby, don't you cry
It will never hurt to get paint on your shirt
Let's hang it out to dry, baby, don't you cry
Ay-yai, whoa, oh

Go paint the picture you feel
Go paint the picture you feel
It's different from mine and that is really fine
Now you can say you see the world
in a new way

Hang it out to dry, baby, don't you cry
It will never hurt to get paint on your shirt
Let's hang it out to dry, baby, don't you cry
Ay-yai, whoa, oh

Hang it out to dry, baby, don't you cry
It will never hurt to get paint on your shirt
Just hang it out to dry, baby, don't you cry
Ay-yai, whoa, oh

Track 7 Run to Colors

Run run run to red
Run run run to red
Can you touch it with your head?
Run run run to red

Run run run to blue
Run run run to blue
Can you touch it with your shoe?
Run run run to blue

Run run run to yellow
Run run run to yellow
Can you touch it with your elbow?
Run run run to yellow

Track 8 Little, Little Light

Little, little light in the cold
Warms my heart
Little, little light in the cold
Warms my heart
The bright light shines up in the night
Little, little light in the cold
Warms my heart

I'll share my light with you
It is strong enough for two
Hold my hand, hold it tight
Together follow the light

Little, little light in the cold
Warms my heart
Little, little light in the cold
Warms my heart
The bright light shines up in the night
Little, little light in the cold
Warms my heart
