### Track 1 Make Some Music

Make some music, sing a song  
Clap your hands and march along  
Melody and rhythm, harmony and pitch  
Everybody now, make some music

Listen to the high notes,  
Can you hear the flute  
Listen to the high notes, up so high

Listen to the low notes,  
Can you hear the tuba  
Listen to the low notes, down so low

Listen to the soft notes,  
Can you hear the harp  
Listen to the soft notes, so quiet

Listen to the loud notes,  
Can you hear the horn  
Listen to the loud notes, plug your ears!

### Track 2 Flickering Flame

Be a flickering flame, be a flickering flame  
Shine your light, in the cold winter night  
Spread your love, spread your joy  
Warm the hearts of every girl and boy

Shine, I said shine  
Shine, I said shine

Shine, shine your love, shine your love,  
Shine your love now shine  
Shine, shine your love, I said shine  
Shine, shine your love, shine your love,  
Shine your love now shine  
Shine, shine your love, I said shine

Eat it now if you please
