Track 1 Flow, Water, Flow

Flow, flow, flow, WHOA
Flow, flow, flow, WHOA
Flow, flow, flow, WHOA
Flow, flow, flow

Flow, water, flow, over my toe
Splash, splash, first fast
Then slow
Flow, water, flow, over my toe
Splash, splash, first fast
Then slow

Flow, water, flow, flow away
Bend and sway, bend and sway
Flow, water, flow, flow away
Bend and sway, bend and sway

Track 2 Busy Beaver

Hey, busy beaver
You better build a lodge
Back up the stream
So you can swim in a pond

Cut down the trees
With your two front teeth
Build up a lodge
So you can live beneath

Watch out for wolves
When you see one
DIVE
Slap the water hard
Make a warning sound

Hey busy beaver, hey beaver
Yeah yeah yeah
Hey busy beaver, hey beaver
Yeah yeah yeah

Track 3 Alligator Attack

(Instrumental)

Track 4 Catch a Fish

If you are in a boat, catch a fish
If you are in a boat, catch a fish
If you are in a boat
And you have a fishing pole
If you are in a boat, catch a fish

Put the bait on the hook and cast a line
Put the bait on the hook and cast a line
If you are in a boat
And you have a fishing pole
Put the bait on the hook and cast a line

La, la, laa, la
La, la, laa, la, la
La, la, laa, la
La, la, laa

When you feel a nibble, reel it in
When you feel a nibble, reel it in
If you are in a boat
And you have a fishing pole
When you feel a nibble, reel it in

I think you got one!

Track 8

Hang It Out to Dry

Don't stop your creativity
Don't stop your creativity
It can get messy
But that's ok with me
If you don't worry
It will set you free

Hang it out to dry
Baby don't you cry
It will never hurt
To get paint on your shirt
Let's hang it out to dry
Baby, don't you cry

Go paint the picture you see
Go paint the picture you see
It's different from mine
And that is really fine
Now you can say
You see the world another way

Track 9

Soapy Suds

Bu-bu-bu-bu, bu-bu-bubbles
Bu-bu-bu-bu, bu-bu-bubbles

Scrub that soap
See what grows
Soapy suds
And bu-bu-bubbles

Soapy suds from a bubbly soap
Soapy suds from a bubbly soap

Bu-bu-bu-bu, bu-bu-bubbles
Bu-bu-bu-bu, bu-bu-bubbles
Bu-bu-bu-bu, bu-bu-bubbles
Bu-bu-bu-bu, bu-bu-bubbles

Scrub your nose
Scrub your toes
Scrub your hair
With bu-bu-bubbles

Soapy suds from a bubbly soap
Soapy suds from a bubbly soap
Soapy suds from a bubbly soap
Soapy suds from a bubbly soap

Keep the Water Clean

Keep the water clean
Keep the water clean
In the ocean, in a lake
In a river in a stream
Do what you can do
And keep the water clean

We need water to drink
So stop and think
What can we do to
Keep the water clean

Plants need water to drink
So stop and think
What can we do to
Keep the water clean
