## Jump, Sing and Dance Along!

Explore new rhythms, theme-related lyrics, and instruments unique to the featured musical genre of the month. While dancing along to the music, children build coordination and balance as they learn to creatively express ideas through movement.

### Track 1

#### Turtle Song

Snappin' turtle snap  
Snappin' for a snack  
Turtle walks so slow  
But turtle snaps so fast  
Step so slow, step so slow  
Step so slow, get ready... SNAP  
Head slides out, head slides in  
Head slides out, get ready... SNAP  
Swim on top, swim down deep  
Swim on top, get ready... SNAP

### Track 2

#### Frog Jump

Ev'rybody jump  
Come on now, jump  
Show me how you jump  
Bend down and then jump  
Jump jump jump jump  
Jump jump jump jump jump  
Jump it to the left, jump it to the right  
Jump it like ya mean it, jump jump, that's right  
Little frog are you sad  
Sittin' there on the lily pad  
Slow ....low.... leap  
I see your froggy frown  
As the rain comes fallin' down  
Slow....low....leap  
Now it's time to...  
Little frog in the sun  
I can see you're having fun  
I see your smile  
Little frog in the sun  
I can see you're having fun  
Leap to the left, leap to the right  
And now its time...

### Track 3

#### Losing a Lizard Tail

Whoa-oh oh-oh – Oh  
Whoa-oh oh-oh oh  
Whoa-oh oh-oh oh  
Doo doo doo do doo doo.  
Did you ever lose a tail to escape a predator  
Can you make it wiggle if it's not attached to you  
Can you grow another in a brand new color  
Oh, where did it go, I just don't know

### Track 4

#### I'm Sorry

I was swimming the wrong way  
It wasn't a fair way for me to play  
I was swimming the wrong way  
It wasn't a fair way for me to play  
Oh...  
I'm sorry  
I need to say  
I'm sorry  
I don't want to hurt you today  
Even though I'm just a little fish, I wish  
Ev'rything I say and do,  
would show you I love you  
Even though I'm just a little fish, I wish  
Ev'rything I say and do,  
would show you I love you

### Track 5

#### Stuck in the Muck

Are you stuck in the muck?  
Are you trying to move but can't feel the groove?  
Do do doo do, doo doo doo  
Raise your hands and clap!  
(clap clap clap clap clap)  
Do do doo do, doo doo doo  
Raise your hands and clap now!  
(clap clap clap clap clap)  
Pretty soon, you'll be hummin' this tune  
So look for the sun, and get ready to run  
Hey look – you're not stuck, in the muck  
Let's feel the groove, so get ready to move

### Track 6

#### Dragonfly Chase

Dragonfly, dragonfly  
With big black eyes  
Come on and chase me  
Forwards fly dragonfly  
Backwards fly dragonfly  
Do it now,  
This is how a dragonfly flies

Five little ducks went out to play  
Over the meadow and far away  
Mother Duck called Quack Quack Quack Quack  
Four little ducks came running back  
(Continue counting back until no little ducks come running back.)  
No little ducks went out to play  
Over the meadow and far away  
Mother Duck called Quack Quack Quack Quack

(Instrumental)

**Track 11**  
**What's That Sound?**

What's that sound I hear?  
I think it's comin' from over there  
Croak croak bullfrog croak  
I hear a croak croak bu-bu-bu-bullfrog croak  
Sittin' like a king, using his throat to sing  
The lily pad is his throne  
Croakin' in a low low tone  
Larger than my hand,  
louder than a marching band  
A mix of brown and green  
He's the biggest frog I've ever seen

**Track 12**  
**Goodnight Pond**

Goodnight pond, it's time to sleep  
No more croaks, or chirps or peeps  
The air is cool, the stars are bright  
Goodnight pond, oh pond, goodnight  
The cattails sway quietly  
Above the lily pads  
The crickets sing a lullaby  
As the moon slips through the sky
