Track 1 Sweet Honey

Sweet honey, don't you see
The big yellow bumble bee
Sweet honey, don't you see
The big yellow bumble bee

Buzzin' here, buzzin' there
Makin' honey we all can share
Flower petal then ride the breeze
All a day's work for a busy bee

Golden treasure in the comb
Hidden in the bumble bee home
Fill my jar with sticky treat
Honey, honey you're so sweet

Track 2 Honeycomb Harmony (Instrumental)

Track 3 How I Make Honey

Come, come along with me
Come along and you will see
How I make that sweet, sweet honey
Come, come along with me

To the flower, first we go
Zippidee dee and zippidee da
Up and down, up and down
To the flower we go

Under the petals, here we go
Zippidee dee and zippidee da
Crawling low, low
Looking for nectar here we go

Take a sip, here we go
Zippidee dee and a zippidee da
A drink full of nectar
Now back to the hive we go

Into the hive, here we go
Zippidee dee and zippidee da
Spit it out and fan your wings
That's how we make it, now you know

Track 4 Bee Body

Bee, bee body
Bee, bumble bee body
Bee, bee body

One, two, three, four, five eyes
Bumble bee has five eyes

Reach reach out antenna
They help to smell and feel

Roll, roll out a proboscis
And drink up the nectar now

Bend, bend, bend your legs
And carry pollen to the hive

Pat, pat, pat your abdomen
And wiggle your stinger too

Track 5 Bee Buzz (Instrumental)

Track 6 Beekeeper

Does A beekeeper keep a C, D, E
Or does A beekeeper keep only a B?
Does A beekeeper keep a C, D, E
Or does A beekeeper keep only keep a B?

Let's look in the hive and C what we C
I'm wondering if there is an F or a G

There is an H and an I in the hive I'm sure
Because a bee must survive
in an H-I-V-E, hive

Could a J, K, L and an M, N, O, P
Make honey like a B or something else tasty?

Q, R, S and T, U, V
Rhymes with B, as does X, Y, Z

Track 7 Egg to Butterfly

I'm a little egg on a leaf
I'm a little egg on a leaf
I'm a little round egg hiding on a leaf
Now it's time to hatch

I'm a caterpillar eatin' a leaf
I'm a caterpillar eatin' a leaf
I'm a caterpillar, larva I'm called
All I do is eat

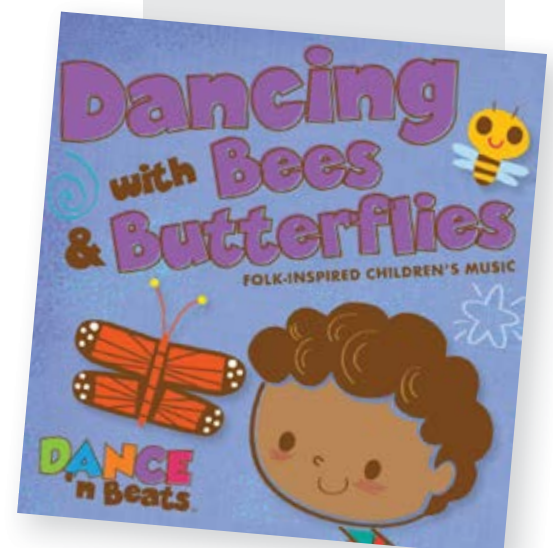

I'm a chrysalis with a secret
I'm a chrysalis with a secret
I'm a chrysalis, I'm changing inside
No more time to hide.

I'm a butterfly in the sky
I'm a butterfly in the sky
I'm a butterfly looking high and low
For somewhere safe for my egg to go

Track 8 Caterpillar

A munchin' machine like I've never seen
The caterpillar crunches those leaves
of green
A munchin' machine like I've never seen
The caterpillar crunches those leaves
of green

Eatin' and a-growin', eatin' and a-growin'
Eatin' and a-growin' til your skin's too tight

Stretch out and shed, stretch out and shed
Stretch out and shed, now it's time to eat

Track 9 Changed

Everything seems new,
what's happened to me
Changed, now I'm livin', livin' free

I was on the ground feeling low
Didn't know which way to go, changed

I got wrapped up, stuck inside
Only wanted to hide,
but I finally tried, changed

I am a butterfly, butterfly
Watch me now, I'll show you how

Be free, find peace in your heart
Be free, this is where you start
Be free, find peace in your heart
Be free, this is where you start

Everything seems new, it can happen to you
Changed... butterfly

Track 10 My Little Butterfly

Will you be my butterfly?
I'll be your friend until the end
Will you be my butterfly?
I'll be your friend until the end

We can fly over a mountain
We can ride on the wind
We can fly over a mountain
Then we'll float back home again

We can fly over the ocean
We can ride on the wind
We can fly over the ocean
Then we'll float back home again

We can fly over the desert
We can ride on the wind
We can fly over the desert
Then we'll float back home again

Track 11 Land on My Flower

Butterfly, butterfly, come to me now
Butterfly, butterfly, land on my petals
Butterfly butterfly, come to me now
And gather up some pollen

Butterfly, butterfly, carry my pollen
Butterfly, butterfly, carry my pollen
Butterfly, butterfly, carry my pollen
And share it with another

Track 12 Butterfly Wings

Stretch them out and shake them dry
Ready, set, it's time to fly
Stretch them out and shake them dry
Ready, set, it's time to fly...fly

Fly, butterfly, fly
Round and round
Feet off the ground
Fly, butterfly, fly
Soar, wings, soar
Gliding there through the windy air
Soar, wings, soar

Flutter up, flutter down
Forwards, backwards, all around
Flutter up, flutter down
Forwards, backwards, all around...all around
