THURSDAY

FRIDAY

WEEK 1

1  **Where Is the Bear?**
SED 3 Attention & Persistence
Play a hide-and-seek game with cups and photo cards.

1  **Harvest March**
PD 1 Gross Motor
Move body in a repeating pattern and copy movements.

1  **Harvest the Ball**
MR 6 Classification
Explore finding and picking up balls. Drop them in a box and notice how they drop and bounce in predictable patterns.

2  **Blow on the Mirror**
LLD 1 Listening
Mimic blowing on a mirror and make breathing sounds while looking in a mirror.

2  **Wind in My Leaves**
PD 1 Gross Motor
Listen to a lullaby and sway back and forth to the music.

2  **Colorful Leaves**
MR 2 Spatial Awareness
Explore touching and pressing on bags filled with leaves and paint.

3  **Tickle Me Leaf**
SED 1 Self-Awareness
Respond when name is heard and investigate parts of the body by putting leaves on them.

3  **Funny Fruit Tree**
PD 2 Fine Motor
Move body to reach a desired object.

3  **Fruit Seed Shaker**
MR 7 Logic & Reasoning
Experiment with cause and effect while shaking a bottle of seeds.

WEEK 2

4  **Fruit Ball Roll**
LLD 1 Listening
Use sounds or actions to communicate an interest in playing with a parachute and balls.

4  **Ribbon Pull**
PD 2 Fine Motor
Use fine motor skills to pull ribbons through holes.

4  **Around the Tree**
MR 2 Spatial Awareness
Dance to music and explore bouncing, balancing and bending to pick up objects.

5  **On and Under the Hill**
SED 4 Social Relationships
Explore how objects still exist even when out of sight by hiding puppets under a pillow.

5  **Jack and Jill**
PD 1 Gross Motor
Build balance and coordination by playing with a ball while listening to the "Jack and Jill" song.

5  **Peach Play**
MR 2 Spatial Awareness
Touch and stack peaches (or other soft fruit). Further explore by dropping peach cubes in a bowl.

6  **Five Little Leaves**
LLD 3 Phonological Awareness
Listen to a song about five leaves. Say the word "ground" while watching leaves fall one by one to the ground.

6  **Sponge Squeeze**
PD 2 Fine Motor
Investigate muscle control by squeezing sponges soaked in water.

6  **Reach a Leaf**
MR 3 Shapes
Explore different ways to shake and play with a homemade leaf shaker.

WEEK 3

7  **Round the Cherry Tree**
LLD 2 Communication
Dance to a song and explore reaching up arms, rubbing hands and opening and closing fists.

7  **Fruit Plate Play**
PD 2 Fine Motor
Shake a plate off the head or other body parts and identify the fruit photo taped on the plate.

7  **Apple Roll**
MR 7 Logic & Reasoning
Roll objects down a ramp. Repeat with various objects to discover the results.

8  **A Tree Is a Home**
LLD 5 Concepts of Print
Play a song, dance and point at photos of a bird, caterpillar and cat.

8  **Bubble Pop**
PD 2 Fine Motor
Play with bubbles and investigate space while trying to pop them.

8  **Water the Tree**
MR 2 Spatial Awareness
Play with blocks and water. Express verbally or with a gesture when another block or more water poured over the blocks is desired.

9  **Share the Apple**
LLD 3 Phonological Awareness
Listen to a song and make the 'la-la-la' sound. Experiment with other sounds.

9  **Red Roll**
PD 2 Fine Motor
Squeeze, pat and explore red play dough on a tray.

9  **Swinging Fruit**
MR 2 Spatial Awareness
Use feet and hands to bat at a ball tied to the end of a piece of yarn.

WEEK 4

10  **The Prettiest Tree**
SED 4 Social Relationships
Listen to a song and put blocks in a hole. Listen for the end of the song, then open up the box.

10  **Find the Fruit**
PD 1 Gross Motor
Build muscle strength by climbing over pillows and under blankets while looking for fruit.

10  **Bag of Apples**
MR 4 Measurement
Pull the bag closer while seated or drag it while walking.

11  **Handprint Tree**
SED 2 Self-Regulation
Create a handprint tree and investigate wet textures.

11  **Plant a Tree**
PD 1 Gross Motor
Explore bending side-to-side and front-to-back. Match movements to the lyrics of a song.

11  **Touch and See Soil**
MR 2 Spatial Awareness
Play with dirt and explore its textures and properties.

12  **Squirrel's Gathering Song**
LLD 3 Phonological Awareness
Move to a song about a squirrel gathering acorns. Follow directions to pick up blocks and put them in a bowl.

12  **Through the Tube**
PD 2 Fine Motor
Explore how a ball rolls through a tube and comes out the other end.

12  **Gather and Stack**
MR 4 Measurement
Explore stacking cups from biggest to smallest and batting a ball off the top of a cup.
