

Jump, Sing and Dance Along!

Explore new rhythms, theme-related lyrics, and instruments unique to the featured musical genre of the month. While dancing along to the music, children build coordination and balance as they learn to creatively express ideas through movement.

Track 1

Baby, Baby

Baby, baby, baby, I love you
Baby, baby, baby, yes it's true
When you're happy and when you're sad
I love you, baby, baby, baby
Baby, b-baby, I love you
Baby, b-baby, yes it's true
When you're happy and when you're sad
I love you, baby, b-baby
B-b-b-baby, b-b-b-baby, I love you
B-b-b-baby, b-b-b-baby, yes it's true
When you're happy and when you're sad
I love you, B-b-b-baby, baby
Baby, I love you
Baby, yes it's true
When you're happy and when you're sad
I love you, baby

Track 2

Baby Lamb

Are you hungry, are you hungry
Baby lamb, baby lamb
I feed you with a bottle,
Feed you with a bottle
Baby lamb, baby lamb
Are you sleepy, are you sleepy
Baby lamb, baby lamb
I kiss and I hug you, kiss you and I hug you
Goodnight lamb, goodnight lamb

Track 3

Silly Manatee

Manatee are you feelin' silly
Manatee are you feelin' silly
Manatee, do you wanna play with me?
Yes, I know, that you swim kinda slow
But it can be fun relaxing in the sun
In the marsh we'll stay and play all day
Hide and seek, close your eyes,
Don't peek

Track 4

Happy Birthday

Happy birthday, happy birthday
It's time to celebrate, time to celebrate
Happy birthday, happy birthday
It's your special day
Today is your birthday
It's the day you were born
On the same day, every year
You'll be one year more
Come on everybody, jump up and down
Clap your hands together,
Make a loud sound

Track 5

Rock-a-Bye Baby

Rock a bye baby, in the treetop
When the wind blows the cradle will rock
When the bough breaks the cradle will fall
And down will come baby, cradle and all
The wind blows, the cradle will rock
The wind blows, the cradle will rock

Track 6

I Love My Daddy

I love my daddy, he makes happy
I love it when he hugs me,
I sure love my dad
When I'm tired my daddy picks me up
When we play my daddy tickles me

Track 7

Growing Up

I'm growing up, grow, growing up
Look at me now, I'm growing up
I was a little baby, so tiny and small
I grew a little bigger then I learned to crawl
I was so hungry when I grew,
So I learned how to chew
Now I play all day in lots of different ways

Track 8

Baby Animals Dance (Instrumental)

Track 9

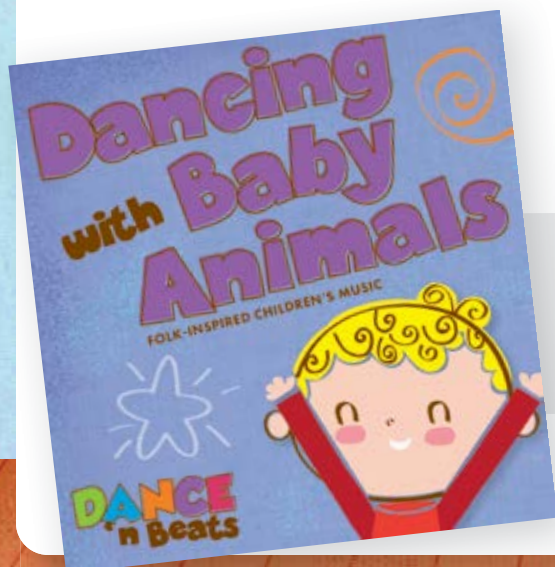

What Do You Think?

What do you think, tell me your idea
What do you think, tell me some more
Now then, let's explore. What do you think?

Track 10

Help!

I'm gonna shout it out now,
When I see some danger
I'm gonna shout it out now,
Shout it with me now
If you're a bird then tweet it,
When you see some danger
If you're a bird then tweet it,
Tweet it with me now
If you're a lion, ROAR!
When you see some danger
If you're a lion, ROAR! Roar it with me now

Experience Preschool music is now exclusively streaming.
You can find it on Amazon Music, Apple Music, Spotify, YouTube and in Member Resources and the [brightwheel](#) app.

Track 11
Learning to Walk

First laid on my tummy and
Rolled round and round
Come on won't you roll
With me round and round
Then I crawled on my knees,
I'm moving quick with ease
Come on won't you crawl with me,
Move your knees
Then I stood up to my feet
And wobbled side to side
Come on won't you walk with me,
It's time to run free
And that's how I learned to walk

Track 12
Carry Me

Please carry me, my feet are tired
Please carry me, my feet are tired
Please carry me
Carry me Momma, can you please
Carry me Poppa, please carry me
Please carry me, my legs are tired
Please carry me, my legs are tired
Please carry me
Please carry me, my arms are tired
Please carry me, my arms are tired
Please carry me
