Jump, Sing and Dance Along!

Explore new rhythms, theme-related lyrics and instruments unique to the featured musical genre of this CD. While dancing along to the music, children will build coordination and balance as they learn to creatively express ideas through movement.

Track 1

Drip Drop Rain

Drip drop rain on my head
Drip drop rain on my head
Rain falls down on the ground
Drip drop rain on my head

Drip drop rain on my shoulder
Drip drop rain on my shoulder
Rain falls down on the ground
Drip drop rain on my shoulder

Drip drop rain on my tummy
Drip drop rain on my tummy
Rain falls down on the ground
Drip drop rain on my tummy

Drip drop rain on my toe
Drip drop rain on my toe
Rain falls down on the ground
Drip drop rain on my toe

Come on, let's go a puddle
Jump jump
Come on, let's go a puddle
Jump jump

It splashed on my toe
On my tummy
And my shoulder
Did you hear what I said
It even splashed on my head

Track 2

Tornado

Watch the clouds, spinning down
Faster and faster, see it spin around
Watch the clouds, spinning down
Faster and faster, see it spin around

TORNADO!

"Phew! I'm exhausted"

Track 3

Squirrel, Squirrel

Squirrel, squirrel
How many nuts can you gather
For the long, cold winter
Squirrel, squirrel
How many nuts can you gather
For the long, cold winter

One nut two, three and four
Can you find just one more
Look around on the ground
For something small and round

Get down low, look around
On the ground, look around
Small and round, green or brown
If it's a nut, pick it up

Track 4

Leaves Fall Down

Orange leaves are falling down
Falling down, falling down
Orange leaves are falling down
On this windy day

I am raking up the leaves
Up the leaves, up the leaves
I am raking up the leaves
In a great, big pile

Now I'm jumping in the pile
In the pile, in the pile
Now I'm jumping in the pile
See me smile

Track 5

Migrate

It's time for me to migrate
It's time for me to migrate
From the north to the south
Before it's too late, I'll migrate

Lift your knees and follow me
Lift your knees and follow me

Flap your wings, it's time to fly
Flap your wings, it's time to fly

Wiggle your fins, let's take a swim
Wiggle your fins, let's take a swim

Track 6

Baby Bear Wakes Up

Hungry bear, baby bear
Stretch your arms in the morning air
The snow is gone, the sun is out
The trees have now begun to sprout
Flowers bloom around the lake
So baby bear knows it's time to wake

Hungry bear rolls in the green grass
Run and play, it is spring at last

Hungry bear, it's time to eat
Gather nuts and pick a blueberry feast

Track 7

A Reason to Dance

Rain, rain, do you feel wet
Jump up and down and stomp on the ground
Spring brings rain, rain, rain

Ev'ry season has a reason to dance
Spring, summer, fall and winter
Yeah, ev'ry season has a reason to dance

Hot, hot, do you feel hot
Reach out wide and dance like the sun
Summer is hot, hot, hot

Blow, blow, feel the breeze
Twirl around and dance like the wind
Autumn breeze blow, blow, blow

Snow, snow, do you feel cold
Cross your arms, shoulders up and down
Winter is cold, cold, cold

Track 8

Wind Moves Me

Wind moves me
Even though I can't see it
Wind moves me
But I can sure feel it
Wind moves me

The wind swings me back and forth
I sway with the wind

The wind pushes me forward
Wind blows me back

The wind lifts me off the ground
And twirls me around

Track 9

Hail Bounce

Hail falls down, on the ground
Bounce around
Hail
Watch out

Track 10

Thunderstorm Song (Instrumental)

Track 11

Cloud Shapes

On my back I lie, and look up to the sky
So many fluffy shapes I see
Float in front of me

Look to the left
Look to the right
Clouds are such a beautiful sight

Watch me catch a cloud up high
And pull it down from the sky

Track 12

Changing Seasons (Instrumental)
