Track 1 Lumberjack

I swing my heavy axe, I am a lumberjack
I chop, chop, one, two, three,
down comes the forest tree
I plant another in its place,
See the smile on my face
Swing swing, chop chop, swing
Get out of the way!
TIMBER!

Track 2 Kittens and Mittens

Three little kittens lost their mittens
For then their little paws were chilly
"We really need our mittens,"
said the three little kittens
Winter without mittens is silly
Hide and seek, look around take a peek
Where did the mittens go?
Look high, look low, above and underneath
Where did the mittens go?
Three little kittens lost their mittens
But Momma knew just where they'd be
"Here's your mittens,"
said Momma to the kittens
"Hangin' near the fire to get toasty"

Track 3 Running Reindeer

Brown ears, black nose,
clippity cloppity toes
Running here, running there,
is the mother reindeer
Through the trees, like a breeze
Graceful in the morn,
with her new baby born
Little brown ears, little black nose,
clippity cloppity tiny toes
Stumbling here, stumbling there
is the baby reindeer

Track 4 Winter in the Woods

It's winter in the woods,
let's follow the tracks in the snow
It's winter in the woods,
where do the animals go?
Rabbit tracks hop, hop,
hop and then they stop
Deer tracks jump, jump,
jump right over the stump
Wolf tracks step, step,
step quietly they crept
Mouse tracks run, run,
run were they having fun?

Track 5 Snowstorm (Instrumental)

Track 6 Forest Food

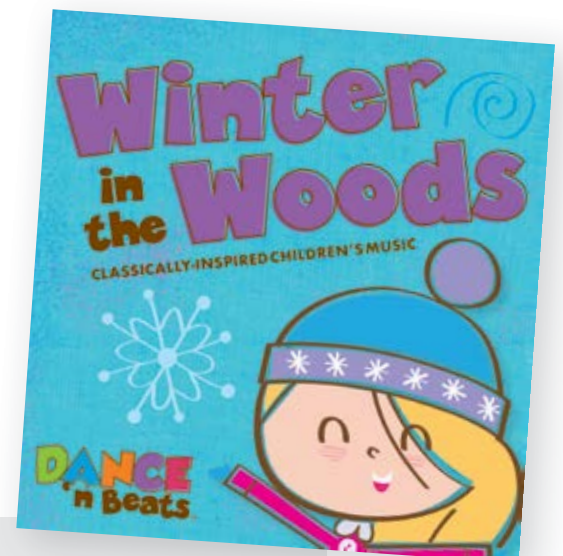

Mister Hedgehog what are you looking for?
Mister Hedgehog, don't you want
to sleep some more?
It's almost winter don't you know?
Hibernate before the snow
Food, I'm lookin' for forest food
A bug or a berry, a nut or a cherry
Food, I'm lookin' for forest food
Mister Bear, what are you looking for?
Mister Bear, don't you want
to sleep some more?
It's almost winter don't you know?
Hibernate before the snow
Mister Rabbit what are you looking for?
Mister Rabbit what are you looking for?
If you're hungry, use your nose
Dig way down below the snow

Track 7 Fireplace Glow

When the wind blows
it freezes Daddy's nose
And even his toes just about froze
So come in from the cold,
come in from the cold
So inside he goes where the fireplace glows
And warms his nose and even his toes

Track 8 Pine Tree

Pine tree, pine tree you are such a fine tree
Pine tree, pine tree you are such a fine tree
What kind of tree stays green all the time?
What kind of tree
drops cones on the ground?
Pine tree, pine tree you're such a fine tree
Evergreen, evergreen,
the best tree that I've ever seen
What kind of tree
has roots deep and strong?
What kind of tree
has branches thin and long?
