

Dear Early Childhood Educator,

Mother Goose Time practices and teaches sound child development and education principles that are taught and implemented by you. The certificate below may be worth clock hours, continuing education units, training units or in-service training for your childcare licensing. (Terminology and licensing guidelines vary.)

If your licensing agency requires ongoing training, the board or in-home visitor may approve Mother Goose Time as a way of earning this training.

When requesting approval, show your licensing consultant or in-home visitor the Mother Goose Time curriculum, including the following:

- Monthly Lesson Plan Book
- Family Newsletter
- Preschool Skills Overview
- Daily Lesson Plan Calendar

Let your licensing consultant know that Mother Goose Time fulfills the Head Start Domain Elements, Standards, and Indicator Guidelines.

Your licensing consultant will recognize your commitment, professionalism and time spent teaching. You have implemented methods and techniques to effectively serve children, helping them to grow socially, emotionally, physically and intellectually.

Sincerely,
Mother Goose Time
Curriculum Department

----- Present certificate to licensing consultant for possible credit. -----

Certificate of Participation

In partnership with Mother Goose Time,
I have spent ____ hours
successfully preparing and presenting the
Bugs & Crawly Things
unit with children, while practicing
sound child development principles.
