## Jump, Sing and Dance Along!

Explore new rhythms, theme-related lyrics and instruments unique to the featured musical genre of this album. While dancing along to the music, children build coordination and balance as they learn to creatively express ideas through movement.

### Track 1

#### Dinosaur Days

Back to dinosaur days is where I want to be  
Back to dinosaur days where the animals roam free

Dinosaur days, di di di di dinosaur  
Long, long ago, di di di di dinosaur  
That's where I want to go

Come on now, let's be a dinosaur  
Come on now, let's be a dinosaur  
Di di di di di di di di dinosaur  
Di di di di di di di di dinosaur  
Show me show me show me a dinosaur  
Show me show me show me a dinosaur

### Track 2

#### Flying Pterodactyl

Flying pterodactyl  
Flying pterodactyl

Won't you come with me  
And then you will see  
How a big reptile can fly  
I'm a pterodactyl in the sky

Flap 2-3-4 flap, flap 2-3-4 flap  
SOOOOAR

Divin' deep deep down  
Without a sound  
Catch a swimming fish  
For a tasty dish

### Track 3

#### Explode, Volcano!

Explode  
Jump up, jump up  
Fire all around  
Rolling down  
Lava rolling down  
Explode

Listen for the rumble, do you hear it?  
Listen for the rumble

### Track 4

#### Brontosaurus

Green leaves, hard to find  
Green leaves, can't get you off of my mind  
I have to find green leaves

Do you understand I walk the land looking for  
food to eat?  
No meat, I don't eat meat, no I don't

Brontosaurus, I'm a Brontosaurus

My neck is long, but something is wrong  
I can reach the top of all the trees,  
but I don't see any leaves  
What's gonna happen to me?

Brontosaurus, I'm a Brontosaurus

### Track 5

#### Stop, I'm a Triceratops

Please stay, don't run away  
You can play with me today

Stop, I'm a triceratops  
Stop, I'm a triceratops  
I won't hurt you, eating grass is all I do  
So stop, I'm a triceratops

If you were born with three horns  
What would you do?  
So I wouldn't be so scared of you

### Track 6

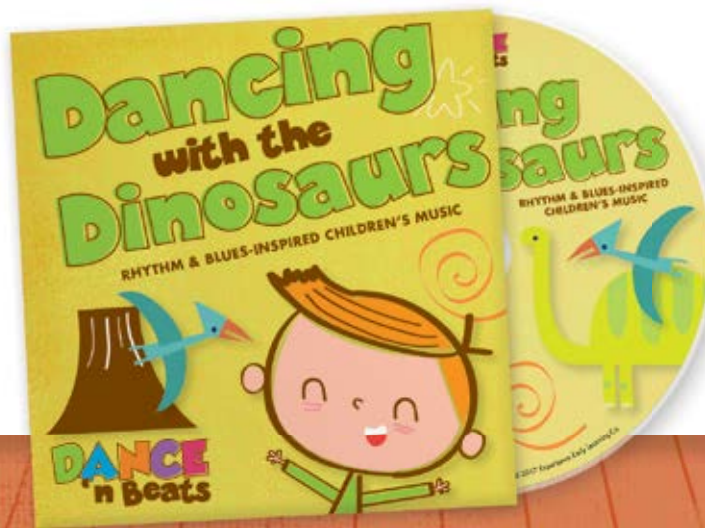

#### Paleontologist Puzzle

I'm digging for a clue  
Something old, not something new  
From prehistoric times  
A dinosaur sign

Paleontologist puzzle  
A paleontologist puzzle

I'm dusting off some bones  
Five, six, seven, eight, bones  
I'm brushing up some teeth  
Tyrannosaurus teeth

Well how is it possible  
To put together so many fossils?  
Placing them carefully down  
Look, a dinosaur is on the ground

## Track 7

### Fossil Story

There's a story on my rock  
If only rocks could talk  
I'd hear the story on my rock

Oh fossil, how did you form?  
Fossil, was it after a storm?

Oh fossil, buried by mud and snow  
Fossil from a long, long time ago

## Track 8

### Jurassic Jam

(Instrumental)

## Track 9

### T-Rex Attack

Don't look back, ba da da da  
He might attack, ba da da da  
I said don't look back, he might attack

Tuh tuh tuh tuh T-rex, Tuh tuh tuh tuh T-rex  
He's coming your way, run far far away  
Tuh tuh tuh tuh T-rex, Tuh tuh tuh tuh T-rex  
He's a carnivore dinosaur

His body is big, ba da da da  
His teeth are sharp, ba da da da  
His body is big and his teeth are sharp.  
SO WATCH OUT!

## Track 10

### Dino Feet Beat

Shake the ground, make a loud, loud sound  
Stomp on the floor and be a dinosaur  
Now repeat the beat with your dino feet

Now make your own beat  
And dance with your dino feet

## Track 11

### My Baby Dinosaur

Uh oh, it's hard to say  
But I think I did something bad today  
I'm not sure how it happened  
Uh oh

The egg cracked in my nest  
I tried to do my best

I see a little leg  
Coming out of that egg

Now it's cracking more  
But it's ok, it's my baby dinosaur

Oh yea, I'm happy to say  
This was just egg hatching day today  
Come on out and let's play, let's play!

## Track 12
